## New in 2012: Learning Clinics

Our learning clinics will be offered one Saturday a month with each clinic covering a different subject related to quilting. Each monthly session will be approximately 2 hours in length giving you plenty of opportunity to see how things are done, ask questions and perhaps try it yourself. Each monthly clinic is \$10 per person and runs from 10:00a to 12:00pm. Pick and choose the clinics you are interested in or better yet plan on joining us for our complete series. Register today!
