The Quilting Corner has many classes scheduled through out the year, many of them held during the weekday and Saturday mornings. We run classes most of the year with the exception of the months of July and December. Our listings are updated often as we add new classes to the schedule. With the higher cost of postage and printing you may have noticed that our class listings do not get mailed out as often. You may view our class listings at www.quiltingcornernh.com, stop in and pick- up the current list, or call us at 603-286-3437 and request a copy be mailed to you. We also encourage you to sign up for our e-mail list which will help us keep you informed of the events happening here at The Quilting Corner!
